Collective Community Impact

Whether it is through our Educational Success – Cradle to Career initiative or our 13 partner agencies, we know by working together, we can create the community we all desire.

**Educational Success – Cradle to Career Task Forces**

<table>
<thead>
<tr>
<th>Educational Opportunities</th>
<th>Parenting Education</th>
<th>Substance Abuse</th>
</tr>
</thead>
</table>
| **Ages 0-8 Action Plan**  | Focusing initial efforts on families with children in the 10-14 year old range which consists of:  
• Parenting Skills Training  
• Children’s Life Skills Training  
• Family Skills Training | **Ages 0-8 Action Plan**  
• Families with young children will have access to substance abuse services.  
• Substance abuse treatment services will be sensitive to the unique needs of families. |
| • Kindergarten School Advisory Committee working with partners who work with children ages 0-5 for school readiness.  
• Big Brothers Big Sisters mentoring program is finishing up its 2nd year which pairs at risk kindergarten and second grade students with volunteer high school sophomores. | Seven 2-hour group session preceded by a meal that includes informal family practices and group leader coaching. | **Youth Action Plan**  
• Healthy Youth Coalition programs educate youth on the prevention of using drugs, alcohol, smoking, and risky behavior. |
| **Middle School Age Action Plan**  
• Encourage middle school students to participate in extracurricular activities by having an Activities Fair. | | **Business Action Plan**  
Empower employees and employers with knowledge and options in making informed choices in finding a solution to this issue by:  
• Pilot a business and industry speakers circuit  
• Hold presentations for employees at their place of work  
• Audit for effectiveness |
| **High School – Post Secondary Action Plan**  
• Implement Career Exploration Day for high school students  
• Implement job shadowing and job mentoring program for high school students | | **Prescription Drug Abuse Action Plan**  
• Educate health care professionals on the effects of local prescription drug abuse. |
A Message From Our Executive Director

Thank you! These two words seem inadequate for the support you, as a community, have shown for your friends and neighbors who are struggling. Through your generosity in time and financial support your Tri-City Area United Way continues to expand our funding opportunities and coordinate more and more programs helping to build stronger communities. As you have just read in this Annual Report there are a lot of great organizations doing a lot of good for those who are struggling, marginalized or have just lost their way. A huge thank you to all our volunteers and especially to those volunteering on our Educational Success – Cradle to career Task Forces and committees. Without you we would not be able to accomplish nearly as much as we have. Through your hard work we are making a positive difference in many of the problems impacting our region.

This year’s campaign exceeded our expectations by raising over $375,000! That’s funding that will go toward helping our shut-in disabled and senior citizens have a hot meal and a little companionship; provide a child with an advocate after being removed from a home environment where they were abused or neglected; provide drug abuse education and services; protection from domestic violence; support for the hungry or homeless; help youth better understand what a great, diverse place it is to start their careers. And that just the tip of the iceberg. There is so much more happening because you care.

Our regions human service issues are serious and complex. We cannot rest on our laurels and pat ourselves on our backs when there is so much more that needs to be done. I know that with your continued generous support we will build bigger and better programs to address those complex issues and as a community become a stronger, family oriented region where people are proud to live, work and play.
