

United is the way we create lasting change.

Today, so many of our neighbors are working hard to overcome barriers and get ahead.

Somewhere in our community:

A working parent is looking for a way to make this week's paycheck cover the growing costs of groceries, prescriptions, and housing.

A middle-schooler is struggling to find a way to stay focused in class because she didn't get a nutritious breakfast this morning.

A high school grad is searching for a way to turn his diploma into a good-paying job and a promising career.

But they're not alone.

Tri-County United Way collaborates with partner agencies and supporters like you so that together we can connect people to the opportunities they need to reach their full potential. United, we serve the whole person and make our community a place where everyone can thrive.

No challenge is too big for us to take on when we work together. Because, United is the Way™.
