

When Our Community Needs Help, We Step In

Families across our region face real challenges—food insecurity, financial hardship, health needs, and unexpected crises.

Tri-County United Way brings people and resources together to meet those needs—quickly and effectively.

As a locally governed nonprofit, we focus on what matters most right here in Marinette and Oconto Counties in Wisconsin, and Menominee County, Michigan.

Because when one family struggles, our whole community feels it.

Real Help, Right When It's Needed

One morning, a community member
was unexpectedly entrusted with an
infant, but had nothing needed to
provide care.

A call to the 211 Wisconsin resource line
connected them to a Tri-County United
Way funded partner. Within hours, Baby
Care Hope provided essential supplies
like diapers, wipes, clothing, and more.

What began as a crisis became a
moment of stability, dignity, and hope.

That's the power of community.

POWERED BY LOCAL PARTNERSHIPS
