

YOUR DONATION'S PATH TO IMPROVING LIVES IN YOUR COMMUNITY

START!

A donor – like YOU! – chooses to make a difference by donating to Tri-County United Way.

Your donation is combined with hundreds of other donations to create our Community Impact Grant fund.

Together, we have all just addressed the basic needs of the whole person. This is how we improve lives by mobilizing the caring power of communities.

And it all starts with **your** donation!

TRI-COUNTY
UNITED WAY

Meanwhile, local nonprofits submit grant applications for these funds.

Agencies use these funds to help individuals live better lives. Your donation has now become food, shelter, and other basic needs.

Volunteers review these applications & recommend funding allocations that ensure our most vulnerable populations are being served.
